

Winchester Summer College

Winchester, England's ancient capital is one of the most beautiful cathedral cities in the UK today. Renowned for its cathedral and high standard of life, the picturesque cobble stoned streets that surround the Cathedral offer a bustling atmosphere for shopping. The city is located in Hampshire County, just an hour away from London.

Campus: King Alfred Campus (University of Winchester)

The King Alfred Campus is within walking distance of the town centre (a safe footpath will lead you to Winchester Cathedral in 15 minutes). This very green and hilly university campus offers a mixture of modern and old buildings.
